# APHRODITE ENHANCEMENT

This Biochemical Muscle Stimulation (BMS) method, is based on external stimulation of muscles, along their fibers by means of mechanical wave vibrations. With a certain frequency and amplitude, creating a muscle regenerative tremor.

The procedure allows for lymphatic drainage and has a deep mechanical effect on the nerve receptors, sweat and sebaceous glands, facial muscles, fat layers, blood and lymphatic vessels. Eliminates swelling and pastiness of the facial tissues. (BMS), has a physiological mechanical effect on the face, neck and head, activating blood stimulation, adding volume, and restoring the full function of facial muscles. Resulting in the disappearance of sagging skin, wrinkles, crow's feet, as well as, normalizing the shape and color of the skin.

12 SESSIONS - \$1100

SINGLE SESSION - \$50 (MEMBERS)

SINGLE SESSION \$100 (NON - MEMBERS)

CLIENTS CAN BOOK JUST THE APHRODITE WHICH IS ABOUT A 30 MIN PROCEDURE INCLUDING CLEANSING, TONING, AND MOISTURIZING.
